Save Duncan Down from the bulldozer and say NO to LUXURY HOUSING DEVELOPMENT.

We the signatures want to protect the whole of Duncan Down and create a large wildlife meadow and Country Park; new areas for native trees planting recreating the ancient woodlands of Benacre Woods, create a woodland play area, small car park, toilets, wheel chair and scooter access.

There is a huge need for affordable housing in Whitstable. Canterbury councilors have rejected an alternative site that is opposite Duncan Down which would save Duncan Down and build affordable homes.
