Good Morning Angela,

As discussed last week unfortunately a representative from Network Rail will not be able to attend the session tomorrow.

You may be aware of the Government's current objective of releasing land for residential development. As detailed in a recent article Network Rail is working to contribute this objective. The following link will take you to the article;

<http://www.networkrail.co.uk/news/2016/sept/Network-Rail-to-unlock-land-for-12000-new-homes-by-2020/>.

As detailed in the consultation letter dated 19th January 2016, Network Rail requests that the following sites; Roper Road, Canterbury East CA482 / PA/009 and Herne Bay CA491 / PA/012, are included as part of the council's site allocation.

Thank you

Kind Regards

Elliot Stamp
