This drawing & design is the copyright of Alan Baxter Partnership LLP and must not be copied in part or whole without consent.

Do not scale off this drawing

- To be read in conjunction with all Architects and Engineers drawings
- Level design is based on information from a topographical survey provided by others. Alan Baxter Partnership LLP takes no responsibility for the accuracy of the original topographical survey. All existing levels are to be confirmed by the contractor prior to the commencement of the works.
- All discrepancies to be notified immediately to contract administrator and engineers.
- Only 'Construction' drawings shall be used for construction or the ordering of materials. Any other drawings (tender / billing / work in progress etc.) drawings shall not be used for this purpose.
