Thank you for your consultation on the above referenced planning application.

Kent County Council as Lead Local Flood Authority have reviewed the submitted information and have no objection to the discharge of condition 3 relating to Surface water Drainage.

We have no comments on Condition 5 for foul water sewerage as this is out of our remit.

This response has been provided using the best knowledge and information submitted as part of the planning application at the time of responding and is reliant on the accuracy of that information.

Yours faithfully,
