Expiration of this copyright does not constitute an authorisation for the reproduction of drawings for any other purpose without the prior written permission of the copyright owner. No liability is accepted for any loss or damage, however caused, arising from the use of this drawing.

Notes:

1. This drawing is to be read in conjunction with all our other drawings, details & specification.
2. This drawing is to be read in conjunction with the Architects drawings and all our drawings numbered 14037 inclusive.
3. Do not scale from this drawing. This drawing is diagrammatic only, so written dimensions should be taken in preference to scaled dimensions. The contractor is to take site dimensions for all items.
4. All existing site levels are assumed to be approximate and are to be confirmed on site.
5. All drainage pipes and fittings to be Maley PVCU or similar approved, 100mm Ø UNCO.
