Good morning Victoria

I have just submitted a response under Policy R11 – Local Service Centres regarding a failure to allocate a site in Lower Hardres for residential development. The consultation response only permitted one document to be uploaded, this being the Response Letter to this Consultation and I attach here the additional Landscape Document referred to within, which is a supporting document to the submitted representation. Can you please confirm receipt and also confirm you have linked this document to our submitted Objection Letter for this Reg 18 Consultation.

Kind regards
