You don't often get email from [REDACTED] [Learn why this is important](#)

We are writing to say we OBJECT any development to the Land at Brooklands Farm. We have enough houses being built here and its causing so many problems already with so much more traffic. We need a new hospital before anymore houses are built. How much more can this area take. Terrible to build even more homes here without all the plans put in place. More water and sewage. This should not go forward.
