To whom it may concern

I strongly object to the planning application on Brooklands farm for 1400 houses for the following reasons.

- 1) Overdevelopment in the area.
- 2) Flooding issues which already exist with surface water on parts of South Street and Chestfield.
- 3) Insufficient infrastructure.
- 4) Increase in sewage our current system is already beyond capacity, discharging more and more into our rivers and sea.
- 5) Huge increase in traffic with the addition of a slip road off the New Thanet Way.
- 6) Impact of increase of traffic on local roads.
- 7) Higher demand on healthcare services: doctors, hospitals and dentist.
- 8) Increase in demand on water supply, already limited in the summer months.
- 9) Safeguard our valuable resources, in this instance our farmland.
- 10) Impact on human wellbeing: light, traffic, noise and visual pollution.
- 11) Negative impact on biodiversity and nature conservation.

Yours Faithfully
