Dear Planners,

I wish to submit my objection to this proposed development and so to be clear, I am writing to you to say I Object.

My grounds for this decision are due to my concerns over more flooding and the impact of increased traffic on our local roads.

I live in [REDACTED] Chestfield and I use South Street many times a week. The disruption caused by this development will put an extra strain on this already busy route.

Please note my objections to this proposal.

Thanks and regards,

Nigel D S Metcalfe.
