

OBJECTION TO BROOKLANDS FARM DEVELOPMENT

GORMAN DENNIS [REDACTED]

Wed 4/24/2024 10:09 AM

To: Consultations <Consultations@canterbury.gov.uk>

To Canterbury Council

To whom it concerns regarding the planning and building of development in Brooklands Farm.

I object to the proposed site for many valid reasons that should be considered. I feel this would be the beliefs on many residents in the area.

- Over development in the area.
- Huge increase in traffic with the addition of a slip road off the New Thanet Way.
- Impact of human wellbeing: traffic, light, noise and visual pollution.
- Negative impact on biodiversity and nature conservation.
- **Insufficient Infrastructure!**
- Flooding issues which already exist with surface water on parts of south street and Chestfield.
- **Higher demand on healthcare services: Doctors, Hospitals and Dentists!**
- Safeguard our valuable resources, in this instance our farmland.
- Increase in sewage. Our current system is already beyond capacity, discharging more and more into our rivers and sea. Polluting the rivers and sea and killing wildlife.
- Increased demand on water supply, this is already limited in the summer months.

I am a resident in Whitstable and **I OBJECT TO THE PROPOSAL.**

Please would you consider the valid points against the development.

Kind Regards

Mrs Anne West
