Dear sir /Madam,

My name is Wei Sung and I am a resident of Whitstable.

I am writing to you to object the plan of Brooklands Farm Development. The reasons are as follows :

.Overdevelopment in the area

Flooding issues which already exist with surface water on parts of South Street and Radfall Road.

Negative impact on biodiversity and nature conservation

Insufficient infrastructure

Increase in sewage

In one word, I object the plan. Thank you very much for looking into this matter.

Yours truly

Wei Sung
