Good afternoon,

I write to you so that I can register my formal objection to the Brooklands Farm development.

I live locally and have witnessed development in the past.

I object to this development for a number of reasons.

Overdevelopment in the area

Flooding issues which already exist with surface water on parts of South St and Chestfield.

> Insufficient infrastructure

> Increase in sewage. Our current system is already beyond capacity, discharging more and more into our rivers and sea

Huge increase in traffic with the addition of a slip road off the New Thanet Way

> Impact of increase in traffic on local roads

> Higher demand on healthcare services : Doctors, Hospitals , Dentists

> Increase in demand on water supply, already limited in the summer months

> Safeguard our valuable resources, in this instance our farmland

Impact on human wellbeing: light, traffic, noise and visual pollution

> >

Negative impact on biodiversity and nature conservation.

I would be grateful if you would acknowledge this objection.

Thank you

Mr A Grove
