Dear Sirs

I am writing to say that I OBJECT to the proposed development at Brooklands Farm. There are too many homes being built in the Whitstable area without the proper infrastructure to support more people in our town.

There are no more schools, health centres or extra water supply being proposed.

The housing currently being built along both sides of the Thanet Way will already make an impact on our town.

Please reconsider these plans. The lives of the current residents of Whitstable will be spoilt and changed forever.

Downs Avenue is already used as a rat run to the Whitstable School and the Thanet Way. Cars speed up and down the road.

I have not been able to successfully access the district plan to enable me to complete on-line questionnaire/consultation.

Yours faithfully

Ann Hill
