To the planning department regarding the proposed development of Brooklands Farm.

I object to the proposed wanton waste of important productive agricultural land.

I object to the proposal of any building on farmland which is already subject to regular flooding.

I object to the extra burden of sewage which would be placed on the already overwhelmed works at Swalecliffe.

I object to Brooklands Farm becoming urbanised to satisfy the needs of commuters.

I object to the loss of green space and habitat for wildlife.

I object to the likely increase in traffic causing more pollution to the environment.
