I object very strongly to the overdevelopment in my area of the green belt. This will have an extremely negative impact on human wellbeing: light, traffic, noise and visual pollution, plus affecting biodiversity and nature conservation. The countryside and farmland need to be safeguarded for future generations. Acres of land next to beautiful Duncan Downs has already been exploited with scores of houses built.

The impact of traffic on local roads will increase greatly, particularly with the addition of a slip road off the New Thanet Way. Why should Canterbury Council be planning to build 1,400 houses and a new slip road off the New Thanet Way into South St and Chestfield? It is absolutely disgraceful. Please do **not** let the Brooklands Farm Development spoil our wonderful countryside!

Yours sincerely,

Phillipa Ferst,
