I am Katherine Nock of
[REDACTED]

I OBJECT to the proposed development of Brooklands Farm

My objections are

1 Overdevelopment in area -already 400 houses being built at Grasmere and 100s more at Whitstable heights and other developments at Longreach

2 The area has already flooding issues -Whitstable capacity is already beyond capable

3 The demand on Healthcare ,dentists and schools

4 losing Green land

5 I have seen Bats outside my house - so I believe along with other wildlife there natural habitat will be destroyed forever

These are just a few of my Objections

I Object ,I object !
