Subject: 2000 Homes. No Way!

Dear Sir,

I am writing to you to express my grave concern at the prospect of 2000 homes being built around Blean area.

I have lived in Blean for [REDACTED] years and I enjoy the peace and tranquility it offers. If this development goes ahead it will ruin north Canterbury and damage its character for the future.

I object to Chapter 2 policy c12.

Chapter 1 policy Q1 and Q2.

My concerns centre on Traffic , water and drainage infrastructure and damage to local biodiversity.

Bear in mind the developers are driven by profit not ethics. The development will maximise cash profit and leave huge infrastructure problems for the future.

Develop else-where NOT in and around Blean.

JBettany.
