To whom it may concern,

I strongly object to policy 4 Brooklands Farm.

Here are my reasons:

- The risk of significantly increased flooding at Brooklands and downstream in Chestfield and Swalecliffe;
- Local health services already badly over-stretched with patients frequently unable to get beds in hospitals
- Significantly increased traffic on local roads
- Swalecliffe sewage works are already unable to cope with existing demand!
- Loss of best and most versatile agricultural land and beautiful open landscapes.
- Permanent destruction of the rural nature of the valley of the Swalecliffe Brook, which provides the unofficial Green Belt between urban Whitstable and The Blean.

Yours sincerely

Louisa Bedford
