Good afternoon I oppose this housing development

Westbere is a beautiful little village and is of historical importance and requires preservation. It's identity needs to be retained. Our children need some green space we do not have the infrastructure to support another 150 houses. we have had no new primary school or gp service since the Hoplands development as was agreed in the local plan. the access to the proposed development is via Bushy Hill Road a 20 zone Road and in most places is single track and can't possibly support access

I oppose this housing development

Thank you

Kind regards  
Barbara Padfield
