Dear Sir, Madam

I would like to object to Brooklands Farm Policy W4 due to the huge increase in traffic travelling around Whitstable and into Canterbury, and the resulting pollution, which will be generated. It will also result in further strain on the already overstretched health services (doctors, dentists and pharmacies) in the immediate area and hospitals in the wider area, particularly A&E. As we already have a problem with sewage in the area, 1,400 more houses will put a much greater strain on the sewage treatment plant in Whitstable. I am also opposed to the loss of countryside, wildlife and agricultural land around Whitstable.

Many thanks
Jane Molyneux
