To whom it may concern

I object to the development at Brookland farm because I live in [REDACTED] and it will directly affect my family because our road will be used to access the development!

I object to the amount of sewage that will be pumped into the sea because our pumping station will not cope!

I object to hose pipe bans because there isn't enough water in our reservoirs to cope with demand!

I object to over 3000 cars protentaily passing my door and causing pollution. Whitstable at weekends comes to a standstill with the traffic. How will it cope with the thousands of extra cars, lorries and delivery vans?

I object to not getting an appointment at the doctors for weeks and months for dentists.

I object to the loss of green space and our children growing up surrounded by concrete jungle.
