To whom it may concern,

I would like to register my disgust at local planning policy C12. As a regular visitor to the area to see family, and enjoy the beautiful countryside I object to the mindless destruction of a rural landscape. Also that an Ofsted rated Outstanding primary school is needing to be repositioned and the resultant detrimental impact to the education of children attending it via pollution and disturbance. There will also be an unsustainable increase in traffic in the area clogging roads.

I look forward to receiving confirmation of the receipt of this email.
