I object to the development.

My reasons are as follows:

- >overdevelopment in the area
- > Flooding issues which already exist with surface water on parts of South Street and Chesterfield
- >Insufficient infrastructure
- >Increase in sewage. Our current system is already beyond capacity, discharging more and more into our rivers and seas.
- >Huge increase in traffic with the addition of a slip road off the New Thanet Way.
- >Impact of increase in traffic on our local roads
- >Higher demand on healthcare services: Doctors, Hospitals, Dentists
- >Increase demand on water supply, already limited in the Summer months
- >Safeguard our valuable resources, in this instance our farmland
- >Impact on human wellbeing: light, traffic, noise and visual pollution
- > Negative impact on biodiversity and Nature conservation
- >lose of amenity. I cycle through this area virtually every day.

Hence I raise this OBJECTION.

Yours sincerely, Alistair Macdonald

TION: BROOKLANDS FARM DEVELOPMENT

Dear Sir/Madam,

If you have submitted a representation via email to one of our current live consultations, thank you. We appreciate you taking the time to reach out and feedback your views.

Due to the high volume of emails we're receiving, you may experience a delay in acknowledgement. One of the team will be in touch with you soon to acknowledge your response.

Dear Council,

I object to the development.

My reasons are as follows:

- >Overdevelopment in the area
- > Flooding issues which already exist with surface water on parts of South Street and Chesterfield
- >Insufficient infrastructure
- >Increase in sewage. Our current system is already beyond capacity discharging more and more into our rivers and seas.
- >Huge increase in traffic with the addition of a slip road off the New Thanet Way.
- >Impact of increase in traffic on our local roads
- >Higher demand on healthcare services: Doctors, Hospitals, Dentists
- >Increase demand on water suppl, already limited in the Summer months
- >Safeguard our valuable resources, in this instance our farmland
- >Impact on human wellbeing: light, traffic, noise and visual pollution
- > Negative impact on biodiversity and Nature conservation
- > Lose of amenity. I cycle past the area virtually every day.

Hence I raise this objection.

Yours sincerely,  
Alistair Macdonald
