Dear Sir/Madam,

I am writing to communicate my profound disapproval and objection to the housing development at and around Blean. I grew up and played in the area as a child. When I returned to the brook near my house (Red Lion House) recently, I found that the whole area smelt of urine. If the drainage cannot be controlled now how much worse will it be with hundreds and hundreds of new and unnecessary houses?

Please stop this crazy plan,

Yours faithfully,

Simon Postgate
