I OBJECT to the proposed development at Brooklands Farm on the following grounds:

1. There is a massive over development in this area resulting in existing surface water on parts of south street and Chestfield Road flooding.
2. Increase in sewage. Our current system is already beyond capacity.
3. Insufficient infrastructure.
4. Huge increase in traffic on local roads which are already gridlocked.
5. Higher demand on healthcare services: doctors, dentists, hospital
6. Impact on human well-being caused by all the above.

Enough is ENOUGH!

Denise Warman
