Dear sir

I object to the proposed plan to build houses on Brooklands farm.
There are many reasons for my objection but the main one is the loss of agricultural land.
Once it has gone it's gone for good, and then where do we get our food from ?
I appreciate the Council has to make difficult decisions but building on farmland should only be done as a last resort,
and then only after a long hard look at what it means for the future.

Best regards

James
