Good Evening,

I am writing to you because I would like to OBJECT to the development of Brooklands Farm. It is quite clear for those of us who live in Whitstable to see that our roads are not fit for further developments to be built. Not only this, but I also personally struggle to get a doctor's appointment or receive sufficient care from my GP. Adding more people into the area will only make this problem worse. These are just two of my main concerns.

This proposal, in my opinion, is ludicrous! There will be houses built and sold for an obscene amount of money, an increased pressure on the infrastructure that is in place and more disruption to our daily lives as we try to navigate our way around an already busy town!

I would like to thank you for reading my objection.

Kind Regards,

Claire MacAinsh
