We object to the saturation of so many new homes in the chesfield and surrounding areas

1 not enough doctor appointments available now

2 hospitals unable to cope now with long long waits in A&E

3 Water demand already very high now and water company has hose bans because it cannot meet demand

4 sewage facilities are over stretched now for this area ,leading to not being able to enjoy seaside bathing due to disgusting pollution

we are residents in Whitstable [REDACTED]
