Dear Sir,

I OBJECT to more houses, more sewage into the sea and running down our streets. More cars, more traffic, more pollution, more people less healthcare and dentists, more flooding, more hosepipe bans due to more demand for water supply. Loss of Whitstable countryside, more concrete, loss of wildlife and agricultural land, and importing food from abroad. We have lived in Whitstable since [REDACTED] and thought it was beautiful, not any more. It's all gone downhill since then.

Mr and Mrs Newman.
