My name is Samantha Etheridge, I strongly object to policies W3 and W4 (Brooklands Farm) of the draft Local Plan to 2040 for the following reasons:

- increase of traffic, road noise and pollution in the Whitstable and Chestfield area.
- Considered use of Lismore Road as access to development would mean my parent's road would have a lot more footfall and traffic.
- increase flood risk
- lack of infrastructure for sewage which is already an issue in the Whitstable area. I grew up in whitstable, we had a beach hut and would always be in the sea during the summer holidays. I would hope to give my daughter a similar childhood experience and not have to worry about her getting ill from untreated sewage releases.
- Strain on local facilities gp, dentists and hospitals.
- hugely detrimental to the wildlife in the area.

Sincerely,

Samantha Etheridge
