I wish to register my objections to  
Policy W4 Brooklands Farm Development.

The main reasons for my objections are as follows:

There is insufficient infrastructure to cope with the huge number of homes that are planned.

Drainage and sewage are already overflowing and the sea along the local coast is not fit for swimming in . The road system cannot cope with the extra traffic .

Not enough schools medical services.

South Street is totally unsuitable for this type of development, it is a country lane.

Surely there are enough other housing estates already under construction .

This is prime farm land and a housing estate would completely change the landscape.

Please log my objection In your records.

Thank you

Carol Fisk
