--Email From External Account--

Dear sir/madam,

I hope you are well.

I wish to register my strong objection to the proposed development at Brooklands Farm.

My reasons for objecting to this proposed development include:

- the areas is overdeveloped and we are losing too much green space.
- There are flooding issues already in the area and this development will put flooding at higher risk in Chestfield.
- There is insufficient infrastructure, especially in regard to medical services.
- Our sewage system is already beyond capacity and is discharging into our seas and rivers.
- Increased traffic on already busy roads is unacceptable.
- We suffer from water restrictions in the summer months, this will make it even worse.
- Brooklands farm is green space. The country should be protecting and valuing farm land as a national resource.
- Increased light, noise and visual pollution.
- Destruction of biodiversity.

Please accept this email as a formal objection to the proposed plan.

With best wishes and thanks,

Adam Bissill
