I strongly object to Policy W4 Brooklands Farm for the following reasons:

- The Whitstable area is already struggling to cope with the increased population
- We do not have enough doctor surgeries, I have recently been moved to another surgery due to lack of doctors at my previous surgery
- The sewage system is currently not coping with regular releases into the sea.
- The Water company cannot provide enough water during the summer, and is not coping with the current leaks currently
- Not enough dentists, the wait list is crazy
- Local hospitals cannot cope, the local Accident and Emergency is now either Margate or Ashford

These need to be addressed before we can think about increasing the housing and population

Regards

Susan Page
