David Gavin, [REDACTED]

I object to the Council's new draft Local Plan. Blean would be severely negatively impacted by the proposed developments. The nature of the city would be adversely diminished. Pollution from increased traffic, damage to the rural landscape, diminution of heritage assets, the endangering of wildlife and biodiversity, loss of farmland, and pressure on sewage and water supply would cause us all to let down future generations. Be bold. Please think again!  
Yours faithfully, David Gavin.
