I object to Brooklands Farm:

More houses in the area will mean more people, our healthcare in the area cannot cope now, the A&E in Margate is so over stretched, along with the other developments in the area it will take it down, its already on its knees.

The infrastructure of the sewerage plant at Swalecliffe couldn't take the extra 1400 houses it doesn't cope now..

The catastrophic effect to the wildlife and their habitats, and the loss of open landscapes.

Along with all the other developments in the area. We will end up with no green spaces if we are not careful for our grandchildren and future generations.

I strongly urge the council to reconsider the proposed Brooklands development. Thank you for considering these concerns

Yours Sincerely

Christina Lee
