#### STOP Brooklands Farm Development.

I have been living in this house, -our family home- since [REDACTED] My home is next to Brooklands Farm field. If you build on it I will be forced out of my home. It will force me to leave and I don't want to because this is what we worked for.

There will be huge problems:

1. **More people = Less healthcare and dentists. The local medical practice cannot cope with such overstretching**
2. More cars = more **traffic/pollution**. This is an extremely dangerous prospect
3. More **flooding** which is a permanent threat and happening all the time on this field
4. Loss of agricultural land
5. Loss of **wildlife**

**This objection to development of Brooklands Farm is signed by all people at [REDACTED]**
