To Whom it May Concern

I would like to raise my objection to the above planned development. My sister lives in Longtye Drive so I am familiar with the area which I do not agree can cope with more housing and the infra-structure required.

There is too much loss of wildlife already in the Whitstable area with so much housing development already having been approved.

We should also try and hold onto what agricultural land is still present in our local surroundings. I would like more future proofing for our farmers.

Kind regards

Jackie Nevett
