Dear Sir/Madam,

I write to inform you that I strongly object to the Brooklands Farm estate being built.

The main reasons for this that I would like to have taken into consideration are:

- The risk of significantly increased flooding at Brooklands and downstream in Chestfield and Swalecliffe;
- Local health services already badly over-stretched with patients frequently unable to get beds in hospitals
- Significantly increased traffic on local roads - CCC don't know how bad this will be because the Local Plan traffic modelling was totally inadequate
- Swalecliffe sewage works already unable to cope with existing demand resulting in serious illness for some visitors to local beaches. This is totally unacceptable for a town with a famous seafood tradition that aspires to be a tourist destination.
- Loss of best and most versatile agricultural land.
- Loss of open-landscape wildlife habitats, bad for *genuine* biodiversity.

Please consider the local community before you build more and cause our town to become overwhelmed.

Kind Regards

Mrs E Rowley
