re Canterbury City Council Plan to 2040.

The consultation maps are disgracefully small even with excellent visual acuity! No bigger maps are exhibited on the Village Hall noticeboard!

Littlebourne Village is on the edge of Canterbury which adds unique charm to an historic area.

← The road traffic is already heavy over school and office hours. Car parking on some roads adds to the poor flow of traffic.

An increase in population would add to these difficulties. ← There is already problems with water flow — We are

privileged to live close to a unique
chalk stream river.

like many G.P. surgeries ours is
already overloaded. Alternative
appointments often have to be taken at
B ridge, adding to traffic movement.
The local school may well be
over subscribed?
