I object to the proposed development at Brooklands Farm because I feel the area is already over developed, we already have a new huge development called Whitstable Heights and also one under construction, Grasmere, being 400 houses.

Whitstable was a rural community which is fast being turned into a suburban sprawl. The infrastructure for such a massive increase in population is simply not there, extra sewage, more traffic and resulting pollution, less access to dentists and GP's, loss of agricultural land and wildlife, more flooding as the area is being concreted over and the loss of our beautiful countryside.

Please lodge my extreme objection to this proposal of the development at Brooklands Farm on the grounds I have stated above.

I am a resident of Whitstable living in [REDACTED]

Yours faithfully

Bernadette Brown
