Dear sirs as a resident of [REDACTED] Whitstable I OBJECT To proposed planing of houses being built on Brooklands Farm. on the following grounds.

To many houses are being built around Whitstable and herne Bay.

There is not enough infrastructure to coup with up to 4000-5000 extra people moving there and extra traffic.

What with Whitstable Heights also being built.

Not enough Doctors.

Not enough Dentists.

Loosing more farm land and our greenery surrounding the area.

Sewage farm that can not coup and is poisoning our sea.

. and i feel it is disgraceful that our Government is pressurizing you
keep Building .

Canterbury council to

Therefore i say again I OBJECT to these plans.
