Dear Sir/Madam,

I am writing to strongly object to the proposed housing development on the Brooklands Farm land and the Blean areas around the university.

We simply do not have the infrastructure to cope with all the extra housing, and we desperately need to be protecting our natural ecosystems in the area.

Please add my voice to the chorus of objections that I feel sure you will have received.

This is a totally irresponsible use of our beautiful land and a very short-sighted strategy with regards to our natural environment.

Yours sincerely,

Sadie Hennessy
