I OBJECT
---+---

Whitstable

Tankerton on Sea !!!

KENT is fast becoming the most populated County in the U.K. due to YOU THE K.C.C. giving planning permission for too many houses - too many of which are Second Homes.

1. Towns like Dover need major revamp on brown field sites not on pastureland.
2. The Norwegians were invaded and their arable land is a priceless commodity.
3. Understand Lewisham Borough have purchased 40% of an Estate being built here in Whitstable why oh why can't it be out of the County.

My grandchildren, born in Kent, are now living in the North and West of England IS THIS CRICKET no CRIMINAL. Would like to know how many KCC Councillors were born in The Garden of England ?

I can remember the population of U.K. was 48 Million God only knows how many it is now.

PLEASE ENOUGH IS ENOUGH I OBJECT.
