Subject: Brooklands Farm

Good morning

I would like to declare my objection to the proposal to the development of Brooklands Farm fit the reasons below:-

I have lived in Whitstable for over [REDACTED] years and have already seen an increase in traffic on the roads, more house building with inadequate infrastructure and a loss of countryside and agricultural land which is having a detrimental disastrous affect on wildlife

This proposed development can only further add to this damaging and catastrophic situation

I object

I am most concerned

Phillip Farnham
