Dear Sir/Madam

I object to the Brooklands Farm Development for the following reasons:- More houses would mean more sewage going into the seas which is already happening with unacceptable frequency More cars on our roads which are already full of potholes and unable to cope with the volume of traffic More people with not enough healthcare professionals More flooding and concrete Loss of beautiful countryside so important for mental health Loss of wildlife habitat, it's their home as well as ours Loss of agricultural land Please consider the consequences for everyone already living in Whitstable both older and younger people.

Yours truly

Gerry Ruffell
