--Email From External Account--

Dear Sir/Madam

I strongly object to the Brooklands Farm Development for the following reasons:-

More houses would mean more sewage going into the seas which is already happening with unacceptable frequency

More cars on our roads which are already full of potholes and unable to cope with the volume of traffic

More people with not enough healthcare professionals

More flooding and concrete

Loss of beautiful countryside so important for mental health

Loss of wildlife habitat, it's their home as well as ours

Loss of agricultural land

Please consider the consequences for everyone already living in Whitstable both older and younger people.

Yours truly

Brenda Ruffell
