Dear sir

I OBJECT to the above development at Brooklands Farm For the following reason.

The site is an overdeveloped,with little or no infrastructure .

Where are the new Health care facilities, our hospital are at breaking point. It is impossible to find an NHS Dentist.

Our sewage network is not fit for purpose, we are already seeing pollution on our beaches. And some where you are unable to enter the water and this is not a one off situation.

We will loose our countryside along with our wildlife and less agricultural land.

We will be selling off our Crown Jewels and once gone can never be replaced, I seek that this application is declined.

And once again I Object.

Yours faithfully

Gillian Macdonald
