Dear Sir/Madam,

I object strongly to the Brooklands Farm development because it will cause major problems in the future .

1. More houses mean more sewage going into the sea.
2. More traffic and more pollution
3. Hosepipe bans due to more demand on water supply.
4. More demand on an already strained Healthcare system .
5. Loss of countryside and wildlife .

We have already had huge housing developments around Whitstable ,our infrastructure can't cope with more .

Thank you

J Laverick.
