To the Planning Department, Canterbury City Council

I am writing **to object** to the proposed development of Brooklands Farm, this proposed development is going to have a major impact on the whole area of Whitstable and its surrounding area. The impact will be more pollution from both the infrastructure of road and traffic, and sewage to healthcare. We need to preserve the countryside of the garden of England. There are so many developments in the area do we really need any more.

your sincerely
Caroline Gardener
