Dear Sirs

I write to register my OBJECTION to this proposal. This includes:

- The risk of significantly increased flooding
- Local health services and schooling have not been taken into account
- Significantly increased traffic on local roads which has already become untenable
- Swalecliffe sewage works already unable to cope with existing demand
- Loss of green space which will have a significant effect on the mental well-being of residents
- There will be an increase in pollution
- We already have recently witnessed the building of far too many housing estates all along the Thanet Way so we hardly need any more
- The new housing at Whitstable Heights is badly-constructed (one property already with scaffolding) and over-priced so who will live there anyway - illegal immigrants?

Yours faithfully  
Paula Dean
